## **Stackable Dump Bins / Frozen Food Baskets:**

Steel dump bins for use as spot displays or in freezer door cases. Frozen dump bins are a proven way to increase sales and reduce merchandising labor. Market research shows that product in dump bins promotes a psychological assumption that the products are discounted, which increases sales. Average product sales increased from 10-15% when frozen food sections were switched from shelves to dump bins.

Bins may be floor stacked or mounted into case standards. Sizes are customizable to fit your merchandising need. Optional casters available for bottom stacked basket for easy maneuverability.

### **Product Specifications: Fully Customizable**

Height: Typically 14-17" depending on use

Width: Typically 24-48"

Depth: Typically 14-23"

Total Capacity: 75 lbs per basket

Finish: Zinc dipped or powder coated any color

Part #: GRF010

#### **Optional Accessories:**

- Wire or plastic bin dividers
- Plate swivel casters for bottom basket
